

GET READY FOR KINDERGARTEN!

Use the Summer Bingo Board for a fun way to get your child ready for Kindergarten! He can color the square for each activity he completes. Once a row is full, present your child with a special treat or activity!

Please be sure to read daily with your child over the summer and practice reading the first 20 sight words to further kickstart your year!

If you are concerned that your son might suffer from “summer learning loss” or the disconnect from the last quarter, we suggest summer workbooks offered through the website: <https://www.summerskills.com> or : www.summersolutions.net.

These offer programs using proven strategy that help ensures long-term retention. You will purchase the PreK level materials as it is a review of the skills they should be proficient in when starting Kindergarten.

We look forward to an exciting year in Kindergarten!

Sincerely,
Mrs. Kilbride and Ms. Sutton
