Join us this summer for a week of fun sports and games. We will be in the gym and will play kick ball, dodge ball, basketball, baseball, capture the flag, floor hockey, football, tag games and more!

Link for and registration information: www.houstonsportsadventures.com

COST: \$220/week

INSTRUCTORS: Coaches from Houston Sports Adventures

LEGO Challenge Robotics (1st – 4th Graders CO-ED): Our partnership with E2 Young Engineers has been such a success with the students that we are extending it into the summer!

Their programs utilize an “EDUTAINMENT” (education + entertainment) approach, transforming the learning process into a game while introducing children to theoretical and practical knowledge in the fields of science, technology, engineering and mathematics (STEM). LEGO parts will be used in the workshops and each kid will have his/her own tool box. Kids don’t need to bring anything into workshops and we will provide all materials.

Two sessions will be run in this Summer. One session is in the week of June 12 while the other is July 10. These two sessions are independent of each, so kids can join one of two sessions or both.

Cost: \$175/week; Instructors: Coaches from Young Engineers

Rugby (3rd – 8th: Boys): Whether you are discovering rugby for the first time or have played before, Regis Rugby Camps are a great place to hone your skills. Each camp starts with a reinforcement of the fundamentals while allowing players to progress through the week at their own pace. With the fundamentals covered players will have the opportunity to show their skill in individual and team drills. Offensive and defensive tactics are studied and applied not only on the field but also in the classroom through lectures, camper interactive board work and film study. If you truly want to get a jump on the rugby season, Regis Summer Rugby Camp is the place to start.
Cost: \$225/week

Instructor: Coach Gary Holub

TTi Soccer Camp (4+ year old and up, CO-ED): A week long soccer camp presented by The Technical Institute: Advanced Soccer Education. Join us at Regis for fun based soccer training activities that focus on developing a range of fundamental skills. Specific focus is given to agility, balance and coordination, spatial awareness, social skills and listening skills. Each session is delivered by a highly enthusiastic and experienced TTI youth soccer coach. While the theme of the sessions is soccer, the focus of the program is to help develop a strong physical foundation and advanced motor skills.

Cost: 4-8 years old \$175/week; 9+ years old \$250/week

Instructor: TTI Soccer Coaches

Basketball Skills Camp! (1st – 8th Grade CO-ED): This one will go fast!! Come and learn from one of the best, Clinton Joshua; Coach Joshua played for the Golden State Warriors, the Rocket's "D League" and overseas! Join us at Regis for a high-energy, exciting and fun basketball camp. Coach Joshua's focus will be on basic court skills, game play, and strategy specific to basketball. Leave with camp with advanced basketball skills and game play!

Cost: \$225.00/week per person

Instructor: Coach Clinton Joshua; Maximum students allowed: 15

Fencing (5th – 8th CO-ED): NO experience necessary! Ever wondered what it would be like to fence? Want to try it for a week? The leading fencing academy in Houston, Salle Mauro Fencing Academy, will be at Regis for one week this summer offering an introductory to fencing week-long session. They provide all the necessary equipment – YOU just need to show up in tennis shoes, shorts and a comfortable t-shirt. Leave the rest to them.

Cost: \$250.00/week

Instructor: Certified Fencing Coaches from Salle Mauro Academy
